

Stud Owner Information:

Application to Register a Litter (Must be an ALAA Member Breeder)

Australian Labradoodle Association of America www.alaa-labradoodles.com

Instructions: Fill in the information below completely and use this form to help you complete your online litter registration. You can then keep this for your records until your litter registrations come to you via mail. All puppies in the litter need to be registered, and all litters produced by the Member Breeder need to be registered. Litters need to be registered within 90 days of whelping or additional fines will be incurred and the Breeder Member will risk additional penalties.
